DOMINION LANDS ADMINISTRATION

16th June, 1928.

Sir:-

S.E. ¼ of Sec. 12 Tp. 58 Rge. 8 West 4th Mer.

I beg to refer you to the application you made some time ago for the privilege of taking up a second homestead and to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent or become entitled thereto on or before the 1st January, 1925, the right to take up a second homestead on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter-section above described, and provided this is the only land for which you have obtained patent, you are entitled to another homestead and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for one vacant and available quarter-section of Dominion Lands, on the usual terms, provided he is aware of no reason to the contrary. This privilege may be exercised on a vacant and available quarter-section of Dominion Land anywhere in Manitoba, Saskatchewan, Alberta and the Peace River Block in British Columbia.

If you are indebted to this Department for seed grain or relief, the land taken under authority of this letter will be subject to such indebtedness.

Your obedient servant,

OTTAWA, 8th October, 1928.

Sir,-

Pt of S.W.¼ Sec. 34 Tp. 48 Rge. 7 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Ref.-204862.

I beg to acknowledge the receipt of your letter of the 13th ultimo, enclosing the application for patent of Mr. George M. Dodds, for the land above described, together with the Inspector's report.

This man is proving up under the stock conditions but has only 1½ miles of fencing, which is corroborated by the Homestead Inspector.

It is noted that Mr. Dodds holds the South half of Section 8, Township 61, Range 4, West of the 4th Meridian, as a volunteer Bounty Land Grant and has three miles of fencing on the above half section.

Be good enough to instruct the Inspector to furnish a Supplementar, report setting forth whether the Soldier Grant quarter section is enclosed with a fence excepting on the side adjoining the South East ¼ of Section 8

Kindly instruct the Inspector in all cases when reporting in regard to stock conditions, if the quarter section is not surrounded by a fence, as required by the Dominion Lands Act, he should state the reason.

The Inspector may be able to furnish the Supplementary report from his records without making a trip to the land.

MEMORANDUM:

Mr. Perrin

S.W. 9-61-4 W.4th M.
Soldier Grant - George E. Dodds.
Entry granted - 21st May, 1919.

This settler has obtained advances from the Soldier Settlement Board amounting to $2200.00 for stock, equipment and permanent improvements. In addition to the above land the Board holds a charge on the S.½ 8-61-4 W.4th M., the settler's South African Volunteer Bounty Land Grant.

The entrant has applied for patent claiming duties as shown on form 58A hereunder. Apparently the duties have been performed in a satisfactory manner and the application has been accepted, but in view of the above mentioned loan he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 20th ultimo, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

Memorandum:

Request for Title under Section [illegible] of the 9th June, 1941, where duties performed by soldier settler.

Re: George E. [illegible]
S.½ 9-61-4 W.4th M. (S.A. Certif.)

The above-described land is the unpatented quarter section of this settler.

Subsequent to the initial loan approved in his favour on the 15th April, 1941, the settler received advances from the Board totalling $[illegible], as follows: stock and equipment, $[illegible], permanent improvements, $700.00. As security the Board holds a mortgage on the settler's South African Script. The only other land presently held by the Board in this case is title to the S.W.¼ 9-61-4 W.4th M., the settler's former soldier grant.

The Board is informed that the settler has completed the duties in connection with his South African Script, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the Board, dated the 15th October, 1941.

The regulations approved by the Governor in Council on the 9th June, 1941, P.C. 1611, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he has completed discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date. He has a prospective purchaser in view.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of the settler in the S.½ 9-61-4 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the terms of Section [illegible] of the Soldier Settlement Act, as will be shown, referred to in the [illegible] and in the settler indebtedness [illegible].

A Vesting Order for [illegible] is returned herein.

Dear Sir:

Re: NW 20-17-2-4. Pre-emption Entry.
SW 20-17-2-4. Homestead.
Dominion & Joint Relief Liens.
James T. Hunter - deceased.

In the years 1915 to 1920 inclusive this party obtained advances from the Dominion Government for Seed, Fodder and Relief in a total sum of two hundred and eighty-three dollars and five cents ($283.05) against which repayments were made totalling one hundred and thirty-five dollars ($135.00), leaving a balance now outstanding of four hundred and seventy-five dollars and sixty-four cents ($475.64).

Mr. Hunter also obtained advances for Joint Relief in the years 1920 and 1922 totalling eighty-eight dollars and eighty-six cents ($88.86) against which payments were made of seventy dollars ($70.00), leaving a balance of one hundred and forty-three dollars and one cent ($143.01).

As security for the Dominion Advances liens appear on title to the N. W. 20-17-2-4 whilst it is reported by the Department of Mines and Resources that advances also represented a charge against the N. W. 20-17-2-4, which was the debtor's pre-emption entry. This latter quarter section, however, now stands in the name of Catherine C. Begg clear of all encumbrance other than a caveat notification. Mr. Hunter is deceased and an application has been received in behalf of his widow for a compromise settlement in respect of the balance of the indebtedness both for Dominion advances and Joint Relief and a sum of fifty dollars ($50.00) tendered with the request that

(continued)

(Continued)

2-H-130.
181-H-16.

this be accepted in full settlement.

In support of the application it is stated that the widow is left in very poor circumstances and that the late Mr. Hunter was badly crippled which handicapped him severely in his farming operations and was in a large measure responsible for his failure to pay the account. It is also pointed out that the land against which the Dominion lien is registered has been forfeited for taxes more than once. It is assessed at a figure of five hundred and twenty dollars ($520.00) which shows that it is not good land and the taxes now outstanding amount to one hundred and eighty-three dollars ($183.00), whilst the crop this year is negligible due to the usual drouth conditions being experienced.

In view of the information herein contained and in order that Mrs. Hunter, who is advanced in years, may make some small recovery from this her only asset, I would recommend that the offer be accepted, that the sum of fifty dollars ($50.00) tendered be applied to the Dominion account, the liens taken therefore be released and the balance written off.

In respect to the Joint Relief account it is found that the liens given as security have long since been discharged from the land through Tax Recovery Proceedings and as there is, therefore, no security I would recommend the balance of the Relief account be written off in its entirety.

Yours very truly,

CHIEF COLLECTOR.

Sir,-

S.½ Sec. 16 Tp. 62 Rge. 10 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

¼ N.W. Sec. 31 Tp. 32 Rge. 1 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Dear Sirs:-

Re: Homestead Entry Charles Sturm about 1907
North West Quarter Sec.14 Tsp.7 Range 2 West 4th.Mer.

In my application for Old Age Security I require additional proof of age from my homestead entry, as no other proof is presently available.

Will you therefore be good enough to check the records of my homestead entry in about the year 1907 covering the NW¼ of 14-7-2-W.4th.Mer. which is in the Province of Alberta.

In my application for Patent several years afterwards there should appear the age of entrant.

Will you be good enough to certify as to such entry and quote the age of entrant, if given.

I would appreciate if you would give this matter your early attention and oblige

Yours truly,

Charles Sturm

No.176001.

OTTAWA, 18th September, 19[illegible].

Sir,-

N.W. ¼ Sec. 18 Tp. 55 Rge. 14 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no return to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are desirous to take advantage of this important privilege or relief, the land taken under the authority of this letter will be subject to cancellation.

Your obedient servant,

Deputy Minister of the Interior.

Sir,-

¼ Sec. Tp. Rge. West Mer.

Referring to your application for the privilege of entry on a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1931, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you a homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Stock and Equipment $1000.00
Permanent Improvements 500.00

Sir.-

N.W. ¼ of Sec. 10, Tp. 55, Rge. 14, West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir.-

S.E. Sec. 1 Tp. 6 Rge. 14 West 5 Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Ref.- 181605.

OTTAWA. 1st August, 1930.

Sir,-

Lot 1 Sec. 4 Tp. 56 Rge. 14 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such encumbrance.

Your obedient servant,

[illegible]

N.E. ¼ of Sec. 16 Tp. 39 Rge. 20 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patents, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.
